Professional Summary

Frontend Developer with 1.5+ years of experience building responsive, scalable, and production-ready web applications using React and Next.js. Experienced in developing real-world platforms for education, software companies, and business solutions. Strong focus on UI/UX, performance, and clean code practices.

Currently working on multiple deployed production projects, including education portals, company websites, and SaaS-style platforms.

Technical Skills

- HTML5, CSS3, JavaScript (ES6+)
 - React.js, Next.js
 - Tailwind CSS, Bootstrap
 - REST APIs integration
 - Git & GitHub
 - Responsive Design (Mobile-first)
 - Basic Redux / State Management
 - Deployment (Vercel, Netlify)
-

Work Experience

Frontend Developer (Intern → Junior Role)

Ehya Education | Lahore
